

Do you have treasured photos stored in a box or an album that you would like to display and enjoy? Cherished photos of a child's first year? Adorable images of a favorite pet?

Valued photos of a family reunion or wedding moment? Celebration of a momentous anniversary? Let us help!

We are ClicktoFinish.com, specializing in making your memories tangible for your continuing enjoyment. Allow us to enlarge your photos, or for an even greater impression, transfer your images to canvas like a fine piece of art. We can do the sharpening and cropping if needed to achieve the finest image possible.

At ClicktoFinish.com, we keep our overhead low, giving you the best quality enlargements at the best possible prices!

Instructions:

1. **Resolution** - comparable to what you would get at a professional photo lab
2 megapixel images will create a passable photographic print of up to 8x10 inches.
5+ megapixel camera is a must for prints of 11x14 inches and larger.
2. **Film** - Scanning of negatives, slides, and photos is free with photo purchase.
2. **File Types** - We accept most image formats RAW, PSD, JPG, BMP, PDF
3. **Media** - We accept most CDs, DVDs, and Memory Cards. We will return all media when order ships.
4. **Shipping** - Place media, order form, and payment in a stiff envelope.
(We will be happy to provide our pre-paid media envelope for free). Send to the address on the order form.
